of Medicine, Brawijaya University (Fakultas Kedokteran Universitas Brawijaya/FKUB) also implements Continuing Medical Education, in accordance with the principle of a doctor's lifelong learning while adapting all updates in the world of medical science. This was first implemented in The First Continuing Neurology Education (CNE) activity in 2012, two years after the establishment of Neurology Department in FKUB. Previously, CNE was often held in conjunction with the activities of Indonesian Neurologist Association (Perhimpunan Dokter Saraf Indonesia/PERDOSNI), for example CNE-8 which was held in conjunction with Indonesian Pain Society's (IPS) National Conference (Musyawarah Kerja Nasional/Mukernas). CNE got rebranded as Malang Integrated Education in Neurology Meeting (MIELUM) starting from MIELUM-9 which was held in 2021. Every year, MIELUM presents the latest theme in the field of neurology. .
